

ACF Regionals 2017
Edited by Andr

4. Ailerons on the edge of these structures can be raised and lowered to allow a plane to execute a bank or roll.

8 In a work by this author, the emperor Domitian uses a real blade, and not a play sword, to stab Paris while performing in a play-within-a-play called *The False Servant*. For 10points each:

12 This sect was developed in the 11th century by the scholar Ramanu

18 This essay opens with a quote in which Paul Valery argues that
